## RUGGLES CAMPGROUNDS.

What Is Going on at That Beautiful Place—Large Attendance.

Special Correspondent, Public Ledger.

RUGGLES CAMPGROUNDS.

August 3, 1901.

As the time draws near for the breaking up of the meeting and the return of the campers to their homes, regrets are expressed on all sides that we must so soon part after such pleasant and halcyon companionship. But all things have an end, and even the most enjoyable things of life come to a close. The camping of 1901 will have soon passed into history with its blessed associations and its pleasant hours, and we expect to carry with us many helpful lessons learned at this beautiful place. The meetings have all been good and many have been benefited by them. Spirituality has characterized them all. May they continue so to the end.

Dr. Williams will arrive Saturday evening and preach to us Sunday morning and night. The grounds are more beautiful than ever before, the meetings are glorious and as there are plenty of accommodations for all we are expecting a large crowd.

A party of some twelve or fifteen hay-riders, headed by Mr. Lane and some others of the feminine gender, look an outing to the Springs on Friday. May they enjoy the reality of it better than we do the thoughts of it.

The regular annual memorial service was held Friday morning in memory of those who have died during the past year. Captain Isaac Kelly, for so long a director of the camping, John Willie Lukins, Miss Amy Goddard and Mrs. Mary Roberts were those in whose memory the services were held this year. These were leaders on the grounds in times past who, we trust, are camping on the more beautiful grounds of heaven today.

Mrs. L. B. Pivard and A. Boring left this morning for their homes at Bellevue.

Rev. D. P. Holt and his numerous followers took their departure Friday morning for their homes in Cincinnati, Bellevue and Dayton.

## PAINFUL ACCIDENT.

Mrs. Rosie McPheeters Falls and Breaks a Collar Bone.

Mrs. Rosie McPheeters met with a very painful accident last night about 11 o'clock.

She fell and broke her collar bone or the clavicle of her left shoulder about one inch from the articulation with the scapula.

Dr. W. R. Harrington was summoned and set the broken bone, and Mrs. McPheeters is resting very well this morning.

Mrs. McPheeters met with the accident as she was arranging her toilet to attend the wake of Mrs. Nancy Middleton, when her foot caught in the carpet, losing her equilibrium and fell to the floor.

This is a hanner year for peaches. The crop throughout the whole country is estimated to be about 75,000,000 bushels, and rather over than under that amount. The prolonged drought in some parts of the country has affected it somewhat, but not to any great extent.

## Press Echoes.

HOW THE BIG-HEARTED EDITORS ARE HELPING THE ELKS FAIR.

In response to The Leader's request for the good offices of the Editorial guild in making the coming Elks Fair a success, these generous outlets have been received:

THE CARLEIGH MERCURY, CARLEIGH, KY., Aug. 1, 1901. Mr. Thomas A. Davis—Dear Sir: The Order of your city, as well as yourself, can command The Mercury at any time. Yours, etc., G. R. KLEIN & SON.

THE VANCEBURG SUN, VANCEBURG, KY., Aug. 1, 1901. Mr. Thomas A. Davis, Maysville, Ky.—Dear Sir and Brother: Yours of today at hand and contents noted. We always stand ready to give away our space, as you suggest, but more especially so when asked for by a brother in misery. We will gladly run an ad until the date of the Fair, and place our columns at your disposal in any way that we can serve you. I hope your Fair will be a howling success, and if I can possibly arrange it to get off will certainly accept your cordial invitation to slip in the "Lead Head" case. Yours respectfully, N. O. WILSON.

THE GAZETTE, PARIS, KY., August 2, 1901. Brother Davis: The pass and badge received. These two and you make a blessed trinity that Ed. (cain) and other harbarians need in their daily walk and in all of the relations of life that tend to take their thoughts away from unending things and place them upon cheap uses. I knew Ed. when he used to lay luscious candy, and now he is as good as a base fiddle or affectionately fingers the calgut strings, and I can truly say he needs these fair hours. Tears dim mine eyes or I would write more of his good deeds. The Gazette help boom your Fair, Yours, HARMON SHUTT.

NOT SO UNKINDLY. FLEMINGBURGH TIMES-DEMOCRAT, FLEMINGBURGH, KY., Aug. 1, 1901. Thomas A. Davis, Esq., Maysville, Ky.—Dear Sir: I was really surprised by your generous offer of a badge and camp. In return for as much advertising as I saw fit to "give" to the Elks Fair. It is true, it is "more blessed to give than to receive," but I saw more deserving object of charity than a country housekeeper, and I will avail myself of your generous offer to give space to the Elks Fair. I charge regular rates for Fair ads when they are admitted. Respectfully, H. DUDLEY.

Deafness Cannot Be Cured.

By local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube gets inflamed you have a rumbling sound or imperfect hearing, and when it enters third stage it is deafness. It is not until the inflammation can be taken out and the tube restored to its normal condition, hearing will be restored forever. Nine cases out of ten are cured by catarrh, which is nothing but an inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Little Blue Pills. Send for circulars. J. J. CRAWFORD, Toledo, O.

# RECORD LOWERED.

Crescens, Champion Trotter, Made a Mile in 2:02 1-4 at Columbus in a Stiff Wind.

FIRST HALF WAS TROTTED IN 59.34

More Than 12,000 People Journeyed to the Driving Park to See the Wonderful Horse.

As soon as Crescens Passed the Wire the Crowd Rushed onto the Track to Greet the Wonderful Horse.

Columbus, O., Aug. 3.—Crescens champion of the trotting turf, added more laurels to his fame by trotting a mile in 2:02 1-4, reducing by half a second his week-old record of 2:07 1-4, made at Cleveland. The first half was trotted in 59 3/4, the first time that the distance has been covered in less than one minute by a trotter. The time by quarters was 29 3/4, 59 3/4, 1:30 3/4, and 2:02 1-4. Only a stiff wind was blowing directly up the stretch kept him from stepping out for 2:02 1-4. More than 12,000 people journeyed to the driving park, attracted to see the greatest trotter ever foaled in America. Tim Murnen, his trainer, received a \$1000 bonus for his services. He was hailed by a runner, and his Laho waited at the half-mile pole to take him on from there.

**The Start.**  
Ketchum nodded for the word, but Crescens was not in his stride, and he pulled up at the first turn to try it again. Down to the wire he rushed the runner two times, and in this time it was a go. The first half, the breeze, the champion started at his journey, moving with apparent ease, and at the greater speed of the runner, he could not keep up, and a sigh went up from the breath less than the time went up a quarter of a second less than 30. The wind was at his back, and he was taking the advantage. Ketchum kept him at his great clip. The half-mile pole was passed in 59 3/4 seconds, a record never before attained, and here a second runner caught him up, but the far turn did not round it in the stallion thundered, his mighty muscles and muscles the strike carried him as if on wings.

**At the Three-Quarter Pole.**  
The three-quarter pole was reached and passed in the wonderful time of 1:30 3/4. Then another runner caught him, as Crescens turned into the stretch, the bitter wind beat him in the face, and held him back by force. For a fraction of a second he seemed to falter, but his driver's voice was in his ears, and on he came, with that indomitable courage which makes never what he is, he is what he is, and the flush with unweakened spirit, and in spite of weariness and the buffeting of the breeze, finished under the wire, a winner against him. But for the wind against him, Crescens struggled it is believed that his time would have been a second faster. It was the most wonderful mile ever trotted on any track.

**Decorated With Flowers.**  
Enthusiasm broke loose as soon as the horse had passed the wire. The crowd rushed on the track to greet the champion, and a huge bunch of flowers was hung around his neck. Mr. Ketchum, owner and driver, was carried to the judge's stand and called on for a speech. He said that he expressed his appreciation of the interest taken in the attempt, his trust in Ohio horses and his confidence in his own great horse. He said that he was not unduly fatigued by his effort, and half an hour later seemed ready for another mile.

**GROWN UP IN A NIGHT.**  
Town of Union People, to be known as Lawton, Kentucky, has grown up in a night. Following the close of the land lottery at El Reno, thousands of homeseekers who drew blinks started for the three points picked out by the federal government for town sites in the new country, namely, Aandake, Hobart and Lawton. A majority of the people favored Lawton, which is 35 miles inland, and now the town is completely camped in and about the proposed town site awaiting the sale of lots on August 6.

Already Lawton has 400 temporary business houses, including a grocery firm and a newspaper, and three streets have been laid out. A national bank has been projected. Every form of gambling known on the frontier is being run wide open, side by side with false shows of various descriptions, and to add to the picturesque scene, a thousand Chinese Indians have pitched their tents nearby.

**The Call Deferred.**  
Philadelphia, Aug. 3.—Rev. Dr. Henry Collins Minton, of California, moderator of the Presbyterian general assembly, has declined the call to the pastorate of Chambers-Wylie Memorial church, in this city.

**Lumber Burned.**  
St. Louis, Aug. 3.—Fire in the yards of the Boeckler Lumber Co. Friday destroyed property valued at \$30,000. Two firemen were overcome by the heat.

**Quarantine Against Cattle.**  
Springfield, Ill., Aug. 3.—The state board of live stock commissioners established quarantine for foreign cattle in Lake county which are suffering from anthrax. During the past few days 21 cattle have died and a butcher named Cox contracted anthrax while skinning a diseased steer and also died.

**The Execution of Peking.**  
Berlin, Aug. 3.—A dispatch received from Peking today from the foreign ministers have sanctioned the planing in of a division of 3,000 Chinese frontier troops to a camp situated 25 miles from the city of Peking, preparatory to the execution of the Chinese capital by the allied troops on August 15.

# INTO AN OPEN SWITCH.

Traction Car Collided With a Big Four Freight Train—Twenty-Five People Injured.

Springfield, O., Aug. 3.—A traction car on the D. & W. ran into an open switch at Donnellville, crashing into a big freight train, and injuring 25 people, two of whom may die. The switch is only used about once in two weeks. A traction car passed safely 40 minutes before after the wreck the switch was found locked open, proving that foul play was the cause.

Following is a list of the injured: E. L. Lindwood, motorman, badly hurt about the head and chest, with possible serious internal injuries; C. D. Brandon, conductor, hurt about the chest and both limbs spained; Miss Blanche Gallehen, head cut; George Conrad, both legs broken; Miss Zelma Turner, bruised about the head.

**Two May Die.**  
Mrs. Richard Schuch, both legs broken and badly hurt internally, may die; Brangan, Pleasant Hill, O., leg broken, collar bone broken and serious internal injuries, may die; Mrs. John Jerry, both legs broken and injured about the chest; Louise Lubbe, left leg broken and cut about the head and face; Carl Smith, colored, Salem, O., bruised slightly about head and face; Mrs. A. M. Brown, colored, Salem, O., arm and neck hurt; Mrs. Jerry Lind, leg broken; Miss Loretta Sullivan, in diaphragm, leg hurt; Miss Ward, Indianapolis, leg broken and face lacerated; John Fogarty, left leg spinned and bruised about the hip; Mrs. Robert Cochran, face and shoulder cut; Mrs. Charles J. **THE SCHLEY INVESTIGATION.**  
The proceedings in open court will probably not occupy more than two weeks or a month.

Washington, Aug. 3.—The navy department has selected the firm of Smith & Hulse to make the stenographic report of the proceedings in the Schley court of inquiry. It is now said that the proceedings in open court will probably not occupy more than two weeks or a month at the most. This comparatively short time is based upon the expectation that it will be necessary to call in a very large number of witnesses and to make the West Indian naval campaign. Officials do not care for repetition of uncontroverted testimony, and they expect that few of the witnesses will be on the fleet ready to try anything of the motives which move the commanders. Judge Advocate General Kruger says he will be in the West Indian naval campaign Saturday morning for a month's vacation along the St. Lawrence. During his absence the judge advocates will be in the West Indian naval campaign. Mrs. Clara Wendell is in the hospital and her lover in jail charged with the crime.

Battle Creek, Mich., Aug. 3.—When Mrs. Clara Wendell went to the door of her home she found a small package tied to the door knob outside which contained two peaches. Attached to it was a note reading, "Eat these for me." She ate the peaches and afterward was taken to the hospital, where she showed indications of strychnine poisoning. The police have arrested Edward DeForest, who has been paying some attention to the woman, but had no quarrel with her.

# UNEXPECTED TRIP.

Portion of the Amalgamated Association Executive Board in New York City.

STEEL CORPORATION SENT FOR THEM

Another Effort Will Be Made to Settle the Great Steel Strike Trouble Satisfactorily to All.

The Mission of the High Officials in Doubtless to Convince the Steel People That a New Conference is Necessary.

Pittsburgh, Pa., Aug. 3.—Judging by indications that are practically facts, peace or war in the steel troubles will be announced from New York soon. When the Amalgamated association executive board adjourned Friday evening President Shaffer announced that another meeting would be held Saturday. A portion of the board of the national officers are in New York. They left for the Pennsylvania limited at 10 o'clock. The executives will lay up to this unexpected trip, while not officially made known, are evidence enough to substantiate the story that the day many telegrams were received at the association conference room, the last coming just before adjournment. The news was answered promptly. This answer was in all probability the announcement to the New York people that the trip would be made by the officials, carried out by arrangement entered into at Varyl Preston's home at the Hotel Biltmore a short time before. At about 4:15 p. m. Messrs. W. H. Williams, of Chicago, and Varyl Preston's rooms and were closeted with him for about 30 minutes.

**A Conference Made.**  
The understanding is that at this meeting Mr. Preston made known the combination's only concession in the matter of reopening the wage conference which he left off three weeks ago. This concession was in the shape of a demand that if a new conference is granted it must be specifically stated before hand what is expected to be accomplished, what ground is to be covered, and what companies are to participate. This brings the matter up to the point of a new conference, and the mission of its high officials to New York is doubtless to convince the steel people there a new conference is essential to peace and amicable settlement of the strike troubles. Instead of flatly refusing the request of the Amalgamated officials for another conference, in order to bring about a settlement of the steel strike, the officers of the United States steel corporation have appointed an hour for meeting at the hotel where the Amalgamated association in New York. The decision to meet there was announced in a message sent direct to President Williams, who afterwards was promptly accepted. At once the members of the board made arrangements to leave for New York.

**KRUGER INTERVIEWED.**  
He Denies the Crucifix Charged Against the Hoers in Lord Kitchener's Report.

Paris, Aug. 3.—The Figaro publishes a long interview Saturday with Mr. Kruger. After denying the crucifix charged against the Boers in Lord Kitchener's report, Mr. Kruger declares that the atrocities of the concentration camps were 20 times worse than had been stated by Miss Hulse, who is direct to report that he fully known, they would come to the point to shudder with horror and move the nations to intervene.

**The Shamrock II.**  
Punta Delgada, Azore Islands, Aug. 3.—Sir Thomas Lipton's steam yacht Lure, which arrived here with the Shamrock II, has sailed and will leave for New York, towing the challenger. A favorable southeast wind was blowing. The vessels expect to arrive at New York August 11.

# CANADA'S CUP.

The Canadian Officially Selected to Defend It Against the Canadian Challenger Invader.

Chicago, Aug. 3.—Cadhille, of Detroit, has been officially selected to defend the Canada's cup against the United States challenge. The decision was reached by the judges after the Cadhill had won another decisive victory over the Milwaukee, beating him over the line by about 11 minutes. The course was triangular, 21 miles in length, with the wind blowing at 15 miles from the north and northeast.

The first race between the Invader and Cadhill will be sailed August 19, weather permitting.
